40 Days of Reading ends
Last Day Term 3

Only 5 sleeps to go! It is almost Book Day 2018.

Book Day is the most colourful day of the year. Students can come to school dressed as a character from a book. The day will begin with an assembly, which will be held in the church starting at 9am. During the Book Day assembly students will be able to parade their costumes.

After the assembly students will take part in a number of interesting and stimulating book related activities, celebrating the joy of reading.

The theme for this year's book Day is Find Your Treasure. So much treasure can be found through reading. We can gain new knowledge and learn new skills, and through reading works of fiction we can be excited, relaxed and moved. Of course the greatest treasure is knowing God, and the best way we can do this is through reading the Bible.

40 Days of Reading

We are half way through the 40 Days of Reading! There are only 20 days to go!

Don't forget, students can borrow library books on Mondays. Students will need to bring a library bag to borrow a library book.

The 40 days of Reading will finish on September 28th.

Art Night

On the evening of September 21st Pacific Brook Christian School will be holding an Art Night. The evening will begin at 6:30pm, and end at 8:00pm.

Everyone who attends will be able to see some of the amazing art works the students have done through this year, and find out what they have been learning in Art.

There will also be an art auction. A number of art works, including pieces created by local Upper Hunter artists will be auctioned. The money raised will go to supporting the school.

Food and drink will be available on the evening. I hope you will be able to attend.

Primary News

The Primary class finished off their five week Photography unit this week by going on an excursion to Muscle Creek. They created their own land art, with the aim of bringing glory to God. They will each be entering two different photographs of land art pieces into the Local Art Awards People's Choice. The winner of this award will win their very own camera! We look forward to seeing their photographs displayed at Muswellbrook Regional Arts Centre in October.

Check out the article about the exhibit in the latest issue of ART upCLOSE on the Muswellbrook Art Centres website at www.muswellbrook.nsw.gov.au/index.php/in-the-news/3014-art-upclose-mrac-issue-4-2018

Infants News

For writing this week, the K-2 class wrote bio poems. They enjoyed writing all about themselves and sharing their poems with the rest of the class.

PAL News

This week in PAL, students had fun using a number race track to help them recognise numbers to ten.

Train Safety

This week Amy Jones, who works at Muswellbrook Railway Station, brought the Tracksafe Education Program to the school. Students from both classes attended a session run by Amy, and enjoyed learning about how to be safe around railway lines and trains. Thank you Amy.

No Seafood

Allergies

Anaphylaxis is a potentially life threatening condition where sufferers are susceptible to severe allergic reaction to certain foods and other things in the environment. Since the safety of the children in our care is of the utmost importance, Pacific Brook Christian School aims to be an egg, nut and seafood free school. As such, please do not send any foods to school containing these items. Please see the website for more information about alternatives to popular foods and recipes.

Thank you for your assistance in helping keep all our students healthy and safe.
